Product description

The Somoto short sleeve men’s v-neck t-shirt made of 160 g/m² cotton is perfect for any occasion and a comfortable addition to any wardrobe. The ringspun cotton provides a stronger and smoother yarn, resulting in a more durable fabric that guarantees high quality branding. The V-neck design adds a touch of style and the side seams ensure a great fit. The printed in-neck Elevate branding also adds to its overall comfort, and the re-enforced shoulders ensure a continuous fit even after long-term use.
